Dear Hugh:

As you know, I am no Bircher; but I have friends at both ends of theppolitical spectrum. One of the more conservative sent me the enclosed American Opinion.

I forward a copy to you only because of our interest in the Ukrane. I do not expect there to be anything in it of relevande, but you never know. It is worth a quick perusal.

I'm working on the other items.

Hastily,

Bernard Fensterwald, Jr.
